Subject: Acknowledgement of Pending state CBSE, NOC

Dear Sir/Madam,

This is to finish that Pallavi School, Peddapally is in the process of procuring the state CBSE No Objection Certificate (NOC) for our affiliation application to establish a Middle school. We have completed the necessary procedures with the District Education Officer (DEO) and have uploaded the acknowledgment from the DEO as part of our application instead of STATE NOC for CBSE.

We have obtained all other necessary documents, including state recognition, required for the affiliation process. We understand the importance of timely submission and are diligently working to secure the STATE NOC. We assure you that we will procure the NOC in the meantime before our part A scrutiny.

Given the procedural requirements, we kindly request your understanding, and we respectfully ask for a reasonable timeframe to obtain and submit the NOC. We would be most grateful for your cooperation and support in this matter. Please let us know if there are any further requirements or documentation needed from our side to ensure a smooth affiliation process.

Thank you very much for your attention and consideration.

Yours sincerely,

Y. Srinivas Kumar
